“I'd like to tell you why I'm voting for Arie Friedman for State Senate.

As a doctor, Arie Friedman knows the only people who should be involved in a woman's healthcare decisions are her and her physician. That's why Arie Friedman is pro-choice and will protect our right to choose in the State Senate.

Arie Friedman shares my values and my priorities. I trust him to stand up for our families in the State Senate and I urge you to join me in voting for him for State Senate.”

—Phyllis Fine

Retired school teacher, Northbrook

The Facts on Dr. Arie Friedman

Arie Friedman is not a career politician. He's a highly regarded pediatrician who serves families in suburban Chicago and has dedicated his life to keeping our families healthy.

As a Doctor and father of five, he knows first hand how important the doctor-patient relationship is and that no-one should interfere with the health care choices of any patient. That's why Arie Friedman is pro-choice.

Working for Illinois families

Arie Friedman believes taxes are too high on working families and should be cut.
