About the Candidate

Peter Breen works full time as the Vice President and Senior Counsel of the **Thomas More Society**, a national not-for-profit law firm that focuses on the defense of First Amendment rights. In that role, Peter represents churches, organizations, and individuals in state and federal courts across the country, and he regularly advises state and federal elected officials on the effects of proposed legislation. Peter also founded two crisis pregnancy centers in the western suburbs and founded Project Gabriel.

Peter currently serves as a Trustee on the Lombard Village Board and recently served as Lombard's Acting Village President. In Lombard, Peter cut \$500k in unnecessary spending, permanently eliminated the village vehicle sticker, and froze village property taxes for the first time in over twenty years.

Peter's opponent is a pro-abortion Republican who opposed requiring abortion clinics to meet basic surgical clinic standards, opposed filters to prevent hard-core pornography in public libraries, and opposed allowing students a moment of silence to pray at the beginning of the school day.
