

"Eyes on Every Ballot"

ILLINOIS FAIR ELECTIONS COALITION

Early last Spring, our statewide coalition introduced the successful "Virginia Model" in Illinois. Working with direct guidance from Virginia Coalition leaders, we're making it "Easy to Vote and Hard to Cheat" in Illinois.

Just like Virginia, together We the People can change Illinois from blue to red this November...

...and just like Virginia, this effort calls for us all to work together. Grassroots can't do it alone, candidates can't do it alone, GOP groups can't do it alone. But together we can be force multipliers – and win!
