What is a Ballot Brigade?

Grassroots Illinoisians are adopting a program developed by Calvary Chapel in Chino Hills, CA, to help ensure election integrity, make every vote count, and encourage greater civic participation. This initiative works within the framework of state law while empowering citizens to become more engaged in the election process. In the 2022 election, Calvary Chapel collected and delivered almost 20,000 ballots to the election authority.

Why is a Ballot Brigade Needed in Your Church?

Prior to the 2024 election, Dr. George Barna's research indicated that as many as 104 million people of faith were unlikely to vote in the November presidential election.

It's vital that Christians vote in elections and vote their biblical values. **If Christians don't vote, others certainly will.** And these will be the ones who determine the direction our state takes, which directly affects our families.

We the people have the responsibility of selecting honest, wise and God-fearing people to represent us locally, in Springfield and in Washington D.C. We must be good stewards of God's amazing gift of self-government!
